

Chase Outpatient Center is now

StayWell Health Center at Chase

As StayWell Health Center and Waterbury HEALTH work together, patients will see many benefits including:

- Expanded services delivered with the expertise by two healthcare networks
- Continuation of specialty clinics offered at Chase and new ones to be added
- Healthcare provision augmented by talented faculty and residents from the Yale-Waterbury Internal Medicine Residency Program and Waterbury HEALTH doctors
- An integrated health home, that now includes dental and behavioral health
- Co-located access to Waterbury HEALTH specialists
- Enhanced medical record interfaces to support coordinated inpatient, outpatient and diagnostic care
